WHAT'S ON

The Programme

This year, the programme includes 300 sessions featuring over 600 speakers. Download the Festival app to see the full line-up. You can filter the programme by theme, topic, event venue and event type.

Away from the mainstage, we have lots of alternative Festival formats – including Workshops, The Terrace Stage with dedicated LGBTQ+ and Sport afternoons, Live Jury Presentations, and the How to Win a Lion and Creativity Matters Presentations.

The Work

Visit The Work And Awards Hub where you'll find an exhibition of over 30,000 pieces of work entered to the Cannes Lions Awards in 2019. Get behind the work that won with a guided Tour of the Work, find out what goes on Inside the Jury Room and talk to our Lions Experts.

Networking Opportunities

Mingle at Meet Ups, the Cannes Lions Networking Lounge powered by Samsung, the Cannes Lions Beach, or head to Happy Hour and the Closing Party in association with Innocean. Filter by event type 'Networking' on the app. You can also connect with other delegates using the app.

The Terrace

Enjoy interactive sessions, exclusive performances, dedicated LGBTQ+ and sports afternoons, game shows and Happy Hour at our open-air space looking out over the Riviera. Filter "The Terrace" by event venue on the app.

The Awards Shows

Come together on the red carpet to honour this year's winners at our iconic Awards Shows, held on each night of the Festival. Filter by "Awards Show" on Event Type in the App to see which categories are on.

CLX

CLX is an immersive experience – new to the Festival in 2019 and focused on exploring the future of content and technology. From Thursday – Friday, all delegates are invited to enjoy interactive installations.

The Festival Fringe

Join us away from the Palais for a programme of events exploring creativity in relaxed, informal settings around the city of Cannes, including the Girls Lounge, Lunch with the FT, RTL Ad Connect, Google Beach, #TwitterBeach, Facebook Beach and Spotify Beach. Check the official Fringe on the app.
